## Top 5 Things to Know about Shepard:

1. We crack sheep jokes. All the time. A few examples: *Intellectuwool*, *Insheption*, *Shepresent*, etc.
2. We are bitter rivals with Willard. Just wait until the Woo-Shep Olympics!
3. Our practice rooms are the envy of music majors everywhere – not for their high quality, but for their easy access at nearly all hours of the day.
4. We are the only remaining res college to make our own Munchies from scratch – be proud!
5. We are awesome. Just sayin'.
