# EARTH DAY!

## Earth Day TRIVIA!

What's the story behind Earth Day?

*In 1970, Senator Gaylord Nelson organized the first Earth Day, in which 20 million people participated.*

When was the world's first national park established?

*Yellowstone National Park in 1872*

Cool facts about recycling:

- The amount of wood and paper we throw away is enough to heat **50 million** homes for **20 years**.
- Each person throws away approximately **4.6 pounds** of garbage every day.
- **84%** of all household waste can be recycled.

Here's a cute sheep to remind you that it's Earth Day!  
Baaaaa!
